

A close-up photograph of a person's arm and shoulder. The person is wearing a light blue long-sleeved shirt and a brown leather watch with a white face. They are carrying a black, multi-pocketed bag. The bag has the brand name 'ARTISTIX' printed in white on one of the pockets. The background is blurred, suggesting an outdoor setting.

ARTISTIX®
fastest growing brand of professional bags

ARTISTIX

ABOUT US

“**Artistix**” brand was established as a stylish yet affordable range of digital bags in the year of 2019. One of Our visits in China, We found that still **INDIA** is importing good quality laptop bags from China. Then Idea came to in our mind why can't we make good quality bags in **INDIA**. Then we took challenge to make good quality Bags in India to support 'Make In India' project.

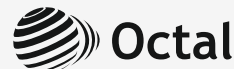

Over the years the range grew into one of the **INDIA's** leading brands of laptop bags. It is now about 5 years later, and the brand is continuously growing exponentially! All products are manufactured in our state-of-the-art facility with the utmost quality checks.

Currently, **Artistix** has two manufacturing plants located at Rajkot, Gujarat, India and is well-recognized for unique and innovative designs. Our motto of “style-meets-function” is the driving force that helps pave the way for each new idea and improvement around the different styles that are created.
