QUANTUM 100

Wired over-ear gaming headset with a detachable mic

Sound is Survival.

Turn your game into an epic event. Featuring JBL QuantumSOUND Signature, the JBL Quantum 100 headset puts you in the center of the action. Own the game with the immersive and accurate sound that lets you hear the tiniest details and feel every explosion, a voice focus detachable boom mic for clear communications and lightweight, memory-foam comfort. The detachable boom mic enables clear multiplayer interactions while memory foam cushions let you game in comfort for hours. Make your game experience with the JBL Quantum 100 headset.

Features

- ▶ Be at the center of the game with JBL QuantumSOUND Signature
- ▶ Play even longer in memory foam comfort
- ▶ Make your voice heard loud and clear
- ▶ Compatible with Windows Sonic Spatial Sound
- ▶ Made for your favorite platforms

QUANTUM 100

Wired over-ear gaming headset with a detachable mic

Features and Benefits

Be at the center of the game with JBL QuantumSOUND Signature

From the tiniest footsteps to the loudest explosion, JBL QuantumSOUND Signature makes every scene epic and every gamer more competitive. Our signature audio delivers the most realistic soundscape for a competitive advantage in any battle.

Play even longer in memory foam comfort

The lightweight headband and memory foam ear cushions were designed for even the longest gaming sessions.

Make your voice heard loud and clear

JBL Quantum 100 headset lets you rally the troops and opponents with clarity. The detachable, voice focus directional boom mic comes with mute features.

Compatible with Windows Sonic Spatial Sound

JBL Quantum 100 headset is designed for full compatibility with the native surround sound system built into Windows 10 PCs and Xbox™ ONE consoles.

Made for your favorite platforms

The JBL Quantum 100 is compatible via 3.5mm jack with PC, PlayStation™, Xbox™, Nintendo Switch™, Mobile, Mac and VR. Check the connectivity guide for compatibility.

WAVE BUDS 2

True Wireless Noise Cancelling Earbuds

Life's too short for boring.

Quality sound just got easier—and more fun. JBL Wave Buds 2 earbuds feature exciting JBL Pure Bass Sound, plus Active Noise Cancelling and Smart Ambient technology so you decide how much of the outside world you want to hear. Manage hands-free crisp, clear calls with just a tap on the earbuds. Use the JBL Headphones app to customize your sound and Voice Prompts language. Connect seamlessly with up to 8 Bluetooth® devices and switch effortlessly from one to another. And with up to 40 hours* of playback time, they're a great everyday sound companion. (*with ANC off)

Features

- ▶ JBL Pure Bass sound
- ▶ Active Noise Cancelling with Smart Ambient
- ▶ 4 mics for crisp, clear calls
- ▶ Water and dust resistant
- ▶ JBL Headphones app
- ▶ 40 total hours of playback time, plus speed charging
- ▶ Multi-point connection
- ▶ Seamless Bluetooth® pairing

WAVE BUDS 2

True Wireless Noise Cancelling Earbuds

Features and Benefits

JBL Pure Bass sound

JBL Wave Buds 2 earbuds feature 8mm dynamic drivers that deliver exciting JBL Pure Bass sound.

Active Noise Cancelling with Smart Ambient

JBL Wave Buds 2 earbuds use Active Noise Cancelling to listen to your surroundings and filter out distracting noise. Smart Ambient lets you control how much of the outside world you want to hear, so you can talk with others or stay aware of your surroundings—all without taking your earbuds out.

4 mics for crisp, clear calls

Two mics on each earbud pick up and clearly transmit your voice while canceling out ambient noise. So you can make clear, crisp calls even when you're walking through a busy park on a breezy day.

Water and dust resistant

Your JBL Wave Buds 2 are IP54 water and dust resistant, so you can use them in rainy or windy conditions. Even the case is IPX2 resistant, so don't worry about bringing it along with you.

JBL Headphones app

Use the JBL Headphones app to select the EQ that fits your style—or customize your own. Voice Prompts in multiple languages give you useful information like whether your battery is running low. Or chill out and recharge in Relax Mode by choosing one of five peaceful sounds, like gentle ocean waves or a crackling wood fire.

40 total hours of playback time, plus speed charging

Enjoy 10 hours of playtime, plus another three full charges (30 hours) in the charging case.* Need to recharge even faster? 10 minutes on a USB type-C charging cable will give you another three hours of playtime. (*with ANC off)

Multi-point connection

Pair your JBL Wave Buds 2 earbuds with two Bluetooth® devices at the same time and then switch effortlessly from one to the other. So if you're watching a video on your tablet, you won't miss a call on your mobile phone.

Seamless Bluetooth® pairing

JBL Wave Buds 2 come enabled with both Fast Pair by Google and Swift Pair by Microsoft, so they immediately pair with both your Android devices and Microsoft computer with a single tap.

Technical Specifications

- ▶ Driver size: 8.0 mm/ 0.32" Dynamic Driver
- ▶ Power supply: 5V 1A

CLIP 5

Ultra-portable waterproof speaker

Clip and Play.

The JBL Clip 5 ultra-portable Bluetooth speaker is small enough to hold in one hand, but don't let the size fool you—it's big where it counts. A wide, fully integrated carabiner is big enough to clip to just about anything. The powerful driver and passive radiator deliver bigger, louder JBL Pro Sound and punchy bass. A single charge gives you up to 12 hours of playtime—and even more if Playtime Boost is turned on. Speaking of outside, it's IP67-certified waterproof and dustproof, so it's a natural to take on your next hike or camping trip. Pair two Clip 5s together for stereo sound, or instantly connect it with multiple JBL Auracast-enabled speakers for even bigger sound over more space. Plus it's available in a variety of colors, so you're sure to find one that fits your vibe. Every day is an adventure with the JBL Clip 5.

Features

- ▶ Ultra-portable JBL Pro Sound
- ▶ Redesigned carabiner
- ▶ Up to 12 hours of playtime plus 3 hours with Playtime Boost
- ▶ Waterproof and dustproof
- ▶ Multi-speaker connection by Auracast™
- ▶ JBL Portable app
- ▶ Vibrant color options
- ▶ Made in part with recycled materials

Features and Benefits

Ultra-portable JBL Pro Sound

Don't let its little size fool you. The JBL Clip 5 packs a serious musical punch, delivering big JBL Pro Sound with punchy bass. Your friends won't believe how much great JBL Pro Sound comes out of such a small speaker.

Redesigned carabiner

The completely redesigned, fully integrated carabiner has a much wider opening that makes it even more portable. You can attach the Clip 5 to everything from your backpack to your belt loop, and take your music with you all day, everywhere.

Up to 12 hours of playtime plus 3 hours with Playtime Boost

Don't sweat the small stuff—like changing your battery. JBL Clip 5 gives you up to 12 hours of playtime on a single charge. Simply tap Playtime Boost to prolong the playtime, adding up to 3 hours to your battery life. It tunes and optimizes the performance for louder and crisper sound.

Waterproof and dustproof

The JBL Clip 5's IP67 waterproof and dustproof rating ensures this portable speaker can handle almost any environment, from a poolside party to a seaside picnic.

Multi-speaker connection by Auracast™

Want even bigger JBL Pro Sound? Pair two Clip 5s for stereo sound, or wirelessly connect multiple JBL Auracast-enabled speakers using Auracast™ for even bigger sound.

JBL Portable app

Use the JBL Portable app to receive updates, get product support, and unlock features, all straight from your phone. Fine-tune your sound with multiple EQ presets options. Or use the fully customizable equalizer to adjust highs, mids, and lows—so your music is just right for you.

Vibrant color options

JBL Clip 5 features exclusive colorways inspired by the latest street fashion and lifestyle trends, introducing new shades and combinations.

Made in part with recycled materials

The JBL Clip 5 incorporates post-consumer recycled plastic and fabric for the speaker grille. It's also packaged in FSC-certified paper printed with soy ink.

TUNE BUDS 2

True Wireless Noise Cancelling Earbuds

Pure bass, zero noise.

Take on your day one song at a time with JBL Tune Buds 2 true wireless earbuds and Adaptive Noise Cancelling. They deliver up to 48 hours of exceptional JBL Pure Bass Sound and JBL Spatial Sound, while the ergonomic (and water and dust resistant) design gives you all-day comfort in any weather. Enjoy perfect-sounding calls without ambient noise, all managed using intuitive touch controls. With Adaptive Noise Cancelling and Smart Ambient technology, you can tune out the world, or choose how much you engage with your surroundings. You can even personalize your sound experience with the JBL Headphones app and tailor audio around you with Personi-Fi 3.0. And with JBL's iconic ghost design, the aesthetics are as great as the technology. Pop in the JBL Tune Buds 2 and experience your world your way.

Features

- ▶ JBL Pure Bass Sound with Spatial Sound
- ▶ Adaptive noise cancelling with Smart Ambient
- ▶ 6 mics for perfect calls and customized call experience
- ▶ Personi-Fi 3.0
- ▶ Up to 48 hours total playback
- ▶ IP54 dust and water resistant*
- ▶ Multi-point connection + Fast Pair enabled by Google
- ▶ JBL headphones app

TUNE BUDS 2

True Wireless Noise Cancelling Earbuds

Features and Benefits

JBL Pure Bass Sound with Spatial Sound

JBL Tune Buds 2 earbuds feature 10mm dynamic drivers that deliver powerful JBL Pure Bass sound. And whether you're listening to your favorite playlist, watching a movie, or playing a game, JBL Spatial Sound transforms the stereo sound from any source or device into a more immersive sound experience.

Adaptive noise cancelling with Smart Ambient

JBL Tune Buds 2 earbuds use Adaptive Noise Cancelling to tune out noises entirely or just let in as much of the outside world you want. Ambient Aware adapts how much of the outside world you want to hear, while TalkThru lets you talk with those around you—all without taking your earbuds out.

6 mics for perfect calls and customized call experience

Two beamforming outer mics on each earbud pick up your voice and deliver it as clearly as possible, while one inner mic isolates noise. Environmental noise cancellation and echo suppression algorithms capture every nuance of your voice without any noise or distortion, even if you're outside on a windy day. Use the JBL Headphones app to customize what you and the people you're talking to sound like through your earbuds.

Personi-Fi 3.0

Hear and feel every note of your playlist. Shape your audio to match your personal listening profile with interactive customization tools that use precise information about you and your preferences to provide the exact sound curve that suits you best.

Up to 48 hours total playback

Enjoy up to 10 hours of playtime, plus another three full charges (30 hours) in the charging case with ANC on, or up to 12 hours plus 36 hours with ANC off.

IP54 dust and water resistant*

Your JBL Tune Buds 2 are IP54 water and dust resistant, so you can rely on them even in rainy or windy conditions.

*Earbuds only

Multi-point connection + Fast Pair enabled by Google

Effortlessly switch from one Bluetooth® device to another—so if you're watching a video on your tablet, you won't miss a call on your mobile phone. JBL Tune Buds 2 come enabled with Fast Pair by Google, so you can pair your Android devices with a single tap.

JBL headphones app

Personalize the soundtrack of your life. Just download the free JBL Headphones app to customize the way you listen. Adjust the Adaptive Noise Cancelling level, tweak your ambient sound control settings, create a Relax playlist to help you chill out, check your best fit, or find your earbuds. You can also change how the earbuds behave through gesture customization, or adapt the sound output to audio or video to get the most out of your content—plus much more.

Multi-point connection + Fast Pair enabled by Google

Effortlessly switch from one Bluetooth® device to another—so if you're watching a video on your tablet, you won't miss a call on your mobile phone. JBL Tune Beam 2 come enabled with Fast Pair by Google, so you can pair your Android devices with a single tap.

JBL headphones app

Personalize the soundtrack of your life. Just download the free JBL Headphones app to customize the way you listen. Adjust the Adaptive Noise Cancelling level, tweak your ambient sound control settings, create a Relax playlist to help you chill out, check your best fit, or find your earbuds. You can also change how the earbuds behave through gesture customization, or adapt the sound output to audio or video to get the most out of your content—plus much more.

CINEMA SB510

3.1 Channel Soundbar with a Built-in Subwoofer

Compact size. Epic Sound.

The JBL Cinema SB510 is a 3.1 channel all-in-one soundbar with a built-in subwoofer. It delivers 200 watts of powerful Dolby Audio with deep bass, all in a hassle-free, compact design that fits neatly into any room. A dedicated center channel driver means TV and film dialogue is always crystal clear. Setup is easy using either one cable HDMI ARC or optical connections, and convenient Bluetooth connectivity means you can use it for wireless music streaming from any device.

Features

- ▶ Dedicated center channel provides superior voice clarity
- ▶ Built-in subwoofer
- ▶ One cable connection with HDMI ARC
- ▶ Wireless music streaming via Bluetooth
- ▶ Dolby Audio embedded

CINEMA SB510

3.1 Channel Soundbar with a Built-in Subwoofer

Features and Benefits

Dedicated center channel provides superior voice clarity

A dedicated center channel delivers film and TV dialogue with amazing clarity. You'll never ask "What did they just say?" again.

Built-in subwoofer

The built-in subwoofer delivers deep bass without the need for another box or extra cables to clutter up your space.

One cable connection with HDMI ARC

The one cable HDMI ARC connection allows for the simplest setup and a hassle-free user experience.

Wireless music streaming via Bluetooth

Stream and enjoy all your music wirelessly from any mobile device.

Dolby Audio embedded

Delivers powerful sound that enhances any movie experience.

TOUR PRO 3

True Wireless Noise Cancelling earbuds with Smart Charging Case™

Sound, like you never heard before.

Get ready for the smartest True Wireless earbuds yet. JBL Tour Pro 3 earbuds come in a newly redesigned Smart Charging Case™ with a handy and more feature-packed touchscreen, giving you full control over your listening experience—while your phone stays in your pocket. Connect seamlessly with any Bluetooth® device and immerse yourself in your music, movies, and games with JBL Spatial 360 sound with head tracking. The JBL Tour Pro 3 are also powered by legendary Hi-Res JBL Pro Sound. When it's time to work, tune out the world with Real-Time True Adaptive Noise Cancelling. On a flight, use the Smart Charging Case™ as an audio transmitter dongle to wirelessly connect to the inflight system (or PC) and enjoy cinematic sound experience while you're in the air. Or at your desk, easily connect the Smart Charging Case™ to your computer, for perfect call quality.

Features

- ▶ Use the Smart Charging Case™ for everywhere entertainment
- ▶ Legendary JBL Pro sound with hybrid dual-driver
- ▶ Immersive JBL Spatial 360 sound with Head Tracking
- ▶ True Adaptive Noise Cancelling 2.0, real time calibration and custom control
- ▶ 6 mics for perfect call with JBL Crystal AI Algorithm
- ▶ A personalized sound experience
- ▶ Automatically connect to the world around you or have a chat
- ▶ Stay in control with the JBL Headphones app
- ▶ Up to 44 hours of music playback
- ▶ Fast Pair enabled by Google and Microsoft swift pair
- ▶ Bluetooth 5.3 LE audio (*)

Features and Benefits

Use the Smart Charging Case™ for everywhere entertainment

The Smart Charging Case™ transforms into a dongle to wirelessly transmit audio to the earbuds from any AUX or USB-C source, such as TV, gym or plane entertainment systems. Just use one of the two included audio cables to connect and enjoy. Or use the Auracast™ button on the display to share your content to any nearby devices by connecting the device through the Tour Pro 3 Smart Charging Case™.

Legendary JBL Pro sound with hybrid dual-driver

JBL Tour Pro 3 features dual drivers in each earbud. The balanced armature driver handles the high notes with enchanting clarity, while an 10mm dynamic driver provides clean, powerful bass and vivid, lifelike vocals. They also deliver Hi-Res certified audio wirelessly with LDAC, Android's native 24-bit high-resolution audio codec, delivering three times more data than Bluetooth for exceptional audio quality.

Immersive JBL Spatial 360 sound with Head Tracking

Whether you're listening to your favorite playlist, watching a movie, or playing a game, JBL Spatial 360 sound transforms stereo sound from any source or any device into a truly immersive sound experience. And when you turn on Head Tracking, everything will sound even more natural and realistic—sounds feel like they come from outside your head and stay fixed in space.

True Adaptive Noise Cancelling 2.0, real time calibration and custom control

JBL Tour Pro 3 earbuds listen to your surroundings and adjust themselves in real time, so even the loudest sudden noise won't disturb your flow. Use the JBL Headphones app to adjust how much or how little of the outside world you let in. An additional set of foam ear tips allows even better passive isolation.

6 mics for perfect call with JBL Crystal AI Algorithm

Two beamforming outer mics on each earbud, powered by JBL Crystal AI algorithm, pick up your voice and deliver it as clearly as possible, while one inner mic isolates noise. The windproof design means the people you're talking to won't hear distortion, even if you're outside on a windy day. Call equalizer helps you control exactly how you sound to others and how you want them to sound to you. And sound level optimizer helps you bring down loud talkers or turn up quiet talkers. The JBL Tour Pro 3 are also Zoom certified.

A personalized sound experience

Hear and feel every note of your playlist with Personi-Fi 3.0. Shape your audio to match your personal listening profile with interactive customization tools that use precise information about you and your preferences to provide the exact sound curve that suits you best. Or for even more personalization, turn on the Personal Sound Amplification feature to adjust the left and right earbuds balance and amplify the conversations' volume up to +15-20dB.

Automatically connect to the world around you or have a chat

Stay alert to the sounds of the world around you while enjoying your music with Smart Ambient. Customized Ambient Sound raises and lowers the volume in real time, depending on how quiet or noisy your surroundings are. Smart Talk recognizes your voice, automatically pausing the music and enabling your preferred ambient experience whenever you speak.

Stay in control with the JBL Headphones app

All of the JBL Tour Pro 3's smartest features are also ready for you to use and customize in the free JBL Headphones app. Just download the free JBL Headphones app to customize EQ, switch on Adaptive Noise Cancelling, adjust your ambient sound control settings, check your best fit, or find your earbuds. You can also customize how the earbuds behave through the gesture customization or adapt the sound output to audio or video to get the most out of your content. Plus you can customize the Smart Charging Case™ display using one of your photos as wallpaper, choosing the screen language, and selecting which features shortcut to make accessible from the case.

Up to 44 hours of music playback

Enjoy 11 hours of music plus three more full charges with ANC off (11+33H), or 8 hours plus three more full charges with ANC on (8+24H). And you can always get an additional three hours of listening with a quick 10-minute speed charge. The JBL Tour Pro 3 can be recharged wirelessly.

Fast Pair enabled by Google and Microsoft swift pair

Discover Bluetooth accessories in close proximity to your device—then connect with a single tap. With Microsoft swift pair you can seamlessly pair your Bluetooth devices with your Windows 10 PC.

Bluetooth 5.3 LE audio (*)

The JBL Tour Pro 3 feature Bluetooth 5.3, for a more stable and secure connection, so that you can enjoy wireless connection at its best. Featuring the latest Bluetooth technology, your JBL Tour Pro 3 become virtually futureproof. Also, the Tour Pro 3 audio transmitter Smart Charging Case™ supports Auracast™, so that you can share your audio with anyone near you.

(*) Available via OTA update
