WHAT MAKES US STAND APART

OUR MISSION

We are on a mission to help gifting companies create more impactful and luxurious gifts by providing excellent CANDLES in their branding which creates a happy and satisfying impact on their clients.

OUR CLIENTELE

The kind of customers we work with are the ones who love timely delivery, amazing Fragrances, well budgeted, but not cheap gifting options and premium experiences.

OUR PRODUCTS

Our products are all about adding value to your gifts, promoting your brand by creating a wow factor, and hassle free deliveries. Our products come with zero technical error and one hundred percent customisation.

OUR USP

Unlike most other CANDLES manufacturers, we offer more than 120 different fragrances and blends, a wide range of options to choose from as per your budget, single point of contact for each client and flawless after sales service.

The background is a soft watercolor illustration. It features delicate green leaves on thin stems, scattered around the edges. In the center, there are large, light green and white watercolor washes that resemble blooming flowers or soft clouds. The overall color palette is pastel, with various shades of green and off-white.
